The motor was being used to test the water supply whenever a team showed signs of alarm.

The Ogden Cricket Club held their first meeting of the season at Social Hall, Tuesday evening, and elected officers for the ensuing season. Shot in the Knee.

Charles H. Towers, a professional horse trainer was shot in the knee at the Brown Hotel at about 7 o'clock last night. He had attended the races and with others was talking over racing matters when F. B. Collier of the Capital saloon, who was performing some finger feats with a loaded revolver, dropped it on the floor. The bullet struck the knee causing one of the cartridges to explode which entered Towers' knee.

Dr. Powers endeavored to extract the bullet but was unable to do so. Towers is confined to his room and will probably be obliged to remain quiet for some time, and is doubtless permanently injured. He is on his way from California to Battle Mountain, Idaho, where he was engaged in the shooting was considered entirely accidental.
